### ADVISORY NO. 001-2024

FOR: ALL SUPPLIERS / CONTRACTORS

SUBJECT: INFORMATION AS TO UNSTABLE NETWORK SIGNAL INSIDE THE  
PROCUREMENT MANAGEMENT OFFICE

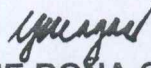

DATE: February 1, 2024

- 1.0 The Bids and Awards Committee and the Procurement Management Office recognize that all forms of official communications are necessary to facilitate procurement transactions and the use of mobile phone for calls and text messages has been one of the most convenient ways to do so. However, it was observed that the network's signal both for Smart and Globe were unstable since December 2023. We received initial feedbacks that our official numbers cannot be contacted. Hence, we strongly advise that you visit the Procurement Management Office for the time-being, should you have any procurement related concerns.
- 2.0 In addition, you may also communicate with us through the official email address, as provided below:
