Resolution No. 007
Series of 2022

**A RESOLUTION
RECOMMENDING TO THE HEAD OF THE PROCURING ENTITY, GOVERNOR MARC DOUGLAS IV C. CAGAS, TO DECLARE BIDDERS WHO FAILED TO DISCLOSE ALL ON-GOING PROJECTS AS DISQUALIFIED, AFTER FINDING SUCH NON-INCLUSION DURING POST-QUALIFICATION OF BIDDERS BY THE SBAC TECHNICAL WORKING GROUP (TWG)**

Be it enacted by the SBAC MEMBERS in meeting assembled:

WHEREAS, in line with the Provincial Government of Davao del Sur's initiative to fast-track the procurement transactions of the Province, the Special Bids and Awards Committee hereby adopts this Resolution to produce Contractors with integrity and truthfulness in their submitted bid;

WHEREAS, item number 2 of GPPB NPM 111-2013 states that, "Failure to include all on-going and completed contracts in the Statement may be a ground for disqualification for being incomplete, and may also result in blacklisting if proven that such failure amounts to submission of false information or false documents. The submission of the eligibility documents enumerated in Section 23.1 of the IRR is a mandatory requirement that must be complied with by prospective bidders, such that failure to submit any of the documents or the submission of an otherwise incomplete or patently insufficient document, will disqualify the bidder based on the non-discretionary "pass/fail" criterion under Section 30.1 of the IRR."

IN ADDITION, GPPB NPM 006-2016 states that, "Failure to declare an on-going government and private contract, including contracts awarded but not yet started, if any,

SBAC Resolution No. 007, Series of 2022
Page 1 of 3

whether similar or not similar in nature and complexity to the contract to be bid is a ground for disqualification. These contracts, as reflected in the "Statement of all on-going contracts", are vital to the computation of the Net Financial Contracting Capacity of the bidder, and they are necessary information during the post-qualification stage to verify, validate and ascertain the technical qualification of the Lowest Calculated Bidder for the ultimate determination whether it is the Lowest Calculated and Responsive Bidder";

WHEREFORE, after thorough deliberation, SBAC Vice-Chairperson Milana duly seconded by SBAC Member Fueconcillo, it was-

RESOLVED, as it is hereby RESOLVED, to recommend to the HEAD OF PROCURING ENTITY, GOVERNOR MARC DOUGLAS IV. C. CAGAS, TO DECLARE BIDDERS WHO FAILED TO DISCLOSE ALL ON-GOING PROJECTS AS DISQUALIFIED AFTER FINDING SUCH NON-INCLUSION DURING POST-QUALIFICATION OF BIDDERS BY THE SBAC TECHNICAL WORKING GROUP (TWG);

RESOLVED FINALLY, to furnish copies of this Resolution to all agencies concerned for their information and guidance.

BEDDING - The minimum thickness of bedding material beneath the pipe shall be 100mm. The bedding materials shall be sand or selected sandy soil all of which passes a 9.5mm sieve and not more than 10 percent of which passes a 0.075mm sieve.
BACKFILLING - Materials for backfilling on each side of the conduit for the full trench width and to an elevation of 300mm above the top of the conduit shall be fine, readily compactible soil or granular material selected from excavation or from a source of Contractor's choice, and shall not contain stones that would be retained on a 50mm sieve, chunks of highly plastic clay, or other objectionable material. Granular backfill material shall have less than 95 percent passing a 12.5mm sieve and not less than 95 percent retained on a 4.75mm sieve. Oversized material, except as directed by the Engineer.
ITEM 506 - STONE MASONRY
STONE - The stone shall be clean, hard, and durable and shall be subject to the Engineer's approval.
